

GREENBELT ELECTRIC COOPERATIVE, INC.

P.O. BOX 948

WELLINGTON, TEXAS 79095-0948

SECURITY LIGHTING SERVICE AGREEMENT

This agreement is made by and between GREENBELT ELECTRIC COOPERATIVE, INC., (hereinafter called the "Cooperative") and _____, (hereinafter called the "Consumer").

The Cooperative agrees to construct, operate and maintain on the Consumer's premises located at _____, the hereinafter specified number of any approved lamp up to 175 watt, mercury vapor lamp, mounted on a metal bracket, photo electrically controlled, when installed on Cooperative's service pole, a separate 30' pole, or installed on any suitable mounting device, belonging to the consumer, and having a secondary line span not exceeding 125' in length.

Lights will not be installed on any mounting device which in the opinion of the Cooperative is unsafe or not suitable for this purpose.

The Consumer hereby agrees to pay to the Cooperative the following charges throughout the term of this Agreement in accordance with the rate schedule printed on the back of this form and made a part of this Agreement.

_____ Lights, Unmetered @ \$12.23 per month \$ _____

PLUS (if additional investment required)

_____ Additional charge for each pole installed @ \$1.25 per month \$ _____

TOTAL \$ _____

The rate schedule herein referred to shall continue in force throughout the term of this Agreement or until the Cooperative adopts and makes effective a new rate for this class of service. Such new rate shall immediately and automatically supersede the rate then in effect.

The Cooperative will provide, at its expense, all necessary lamp replacements, material and labor for repairs and maintenance. Upon notice to the Cooperative by the Consumer, the Cooperative will use reasonable diligence in making, during regular working hours, necessary repairs and lamp replacements.

The Cooperative shall have the right to build pole line and to install electrical equipment upon the Consumer's property and shall have access to the Consumer's premises for any other purpose necessary for the performance of this Agreement. The facilities installed by the Cooperative in the performance of this Agreement will remain the property of the Cooperative.

This agreement shall be binding upon the heirs, successors and assigns of the parties hereto and shall be a covenant running with the premises herein described and shall remain in effect for an initial period of three (3) years or more, from _____ and thereafter from year to year unless and until six months prior to the expiration of the initial term, or any subsequent year, either party shall notify the other in writing of its desire to terminate the Agreement at the expiration of said year. The Consumer may, at any time, terminate the Agreement by paying the Cooperative's up and down cost covering the installation by not the cost of the lamp. The Cooperative's statement of cost will be final. The Cooperative further reserves the right to cancel the Agreement and remove its property at any time in the event maintenance and/or lamp replacements become excessive due to vandalism or other uncontrollable causes.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed by their respective authorized officials.

DATED THIS _____ day of _____, _____.
